

## Come Join Us. A volunteer vacation experience unlike any other...

In 2017 the Caribbean Chinese Association (CCA) celebrates its 40<sup>th</sup> Anniversary. To help commemorate this milestone occasion, CCA will be building a Basic School in Jamaica. We could not think of a more appropriate way to celebrate than to give back and help others by supporting children and education, both hallmarks of our Association. We are sharing some information on our volunteer vacation experience which promises to be a truly unique opportunity.
